“Celebrating 30 years of Garden Railways in the Garden of England”

GER(2) HAS BEEN SOLD

The Garden of England Railway (GER)(2) layout has been sold. The sale was concluded at the end of the Kent Groups Winter Indoor Meet at Teynham Village Hall held on Sunday 25 January 2026, where the new owners took the layout away following the event. The new owners were present throughout the event at Teynham to see how to easily assemble and dismantle the layout. Included in the sale was the station and some of other scenery items along with the three Swiss & Welsh carriages that came with the layout. The committee wishes the new owners all the very best and hope the layout gives them many hours of enjoyment like it has given the Kent Group. Thank-You

KENT GROUP WINTER INDOOR RUNNING EVENT – SUNDAY 25 JANUARY 2026

The Group held its Winter Indoor Meet at Teynham Village Hall on Sunday 25 January 2026. This event commenced the start of the 30th Anniversary of the Kent Group. This year's event had a traditional feel to it by having the 16mm Society Hopfield layout in the hall which was a regular attendee for several years. This year at the event a raffle/tombola was held for the first time since 2019 bringing in additional funds to the group. Many thanks to those who donated raffle prizes. The member's sales stand was very well stocked this year and was given a larger area in the hall as items had been donated to the group to be sold with the monies taken going towards the group's new layout. Many thanks to Eleanor and Peter Fox from the Sussex group for again running the members sales stand. Many thanks also to Chris Worby from the Essex Group bought his Crib lane display layout and to Nic and Jackie from Chalk Garden Rail for their support at the event. Finally, many thanks to Sue, Gill and Sammy who looked after us during the event with their catering support. Thanks also go to those who helped with the setting up, during the day or the take down at the end of the show. We covered our costs and have been able to add to the bank account with the donated items for sale in aide of the new layout. The hall has already been booked for the next two years events which will be held on Sunday 31 January 2027 10:30AM – 4:00PM and on Sunday 30 January 2027 (Timings To Be Confirmed) both subject to pandemics and lockdowns.

LB&L LINE WEEKEND EXHIBITION

The Lehmann Bachmann & Lego (LB&L) Line attended the Erith Model Railway Society (EMRS) Model Railway Exhibition at Harris Garrard Acadamy, Thamesmead, Erith over the weekend 24 & 25 January 2026. Jude, Phil & Ben Maskell set up the layout on the Friday. Again, the layout was well received by the public and organisers alike. They have already been invited back for their event next year. Thomas & Friends always goes down well with the younger visitors.
